PINK MEAT If there's a pink ring around your meat... don't worry the pinkness is a result of our long, low and slow smoking process and it's exactly what you should look for in real smoked Bar.B.Q. Due to this process and because we cook everything fresh, we may run out of certain smoked meats, this is actually a good thing as you really don't want to eat day old Bar.B.Q!... However we apologise in advance if this causes you any inconvenience.

THE LOWDOWN ON HOG ROAST... The tradition of the Pig Roast goes back centuries, and possibly longer. There are many ways to roast pork, including open fire rotisserie style roasting, and "caja china" style box grilling. Pig Roasts in the mainland American Deep South are often referred to as a pig pickin. Depending on where you live in the States, the side dishes served at a Pig Pickin' may differ - in North Carolina you'll likely get baked beans, coleslaw, potato salad, and hush puppies (fried cornmeal). In South Carolina, it's traditional to serve pilaf and hash (a mixture of pork, rice & barbeque sauce). No matter where you live, though, beer is almost always present!!
