If there's a pink ring around your meat... don't panic the pinkness is a result of our long low and slow smoking process and it's exactly what you should look for in real smoked Bar.B.Q. Due to this process and because we cook everything fresh, we may run out of certain smoked meats, this is actually a good thing as you really don't want to eat day old Bar.B.Q!... However we apologise in advance if this causes you any inconvenience.
