**FRESH LOBSTERS**

We steam them whole in plain view in our open kitchen, split the tail, crack the claws and a little garlic butter, that’s it... as simple as it gets.

Our lobsters are the freshest and best available delivered here within 24 hours of being harvested from the icy waters off nova scotia. We steam them whole in plain view in our open kitchen, split the tail, crack the claws and a little garlic butter, that’s it... as simple as it gets.
